

Total Adults Served - Instructional Programs And Services

Show an unduplicated count of total adults served, no attendance required, broken down by Ethnicity, Gender and Age. These are students who have been "touched", including all enrolled students, even those who may have never shown up to a single class. No attendance required.

Rules:

1. Courses must be assigned to at least one AEBG Course Label
2. Student must have an enrollment in **at least one** class which is assigned to an AEBG Course Label. ***No attendance required.***
3. Student count is unduplicated, meaning no matter how many classes they have taken or enrolled in, across one or many AEBG Programs, that student is counted once and only once.
4. Filipino will be included in Asian category (per AEBG office)
5. Any other Ethnicities you added – if you added your own Ethnicity descriptions, all of these students will be counted under “Two or More Races”
6. Two or More Races – if student has two or more Ethnicities, that student will appear in this category
7. Missing birthdate will be included in 22 - 34 category.
