

Total Adults Served - Student Support and Career Services

Show an unduplicated count of students who have received student support and career services. No minimum, maximum or count of attendance or time required to be counted. Just a breakdown of students who have received a service during the reporting period.

Rules:

1. Any student you want to count in this table must be assigned to the Student Type = Support/Career Services.
 - a. The easiest way is to do this all at once. Go to Setup | Time Periods | Maintenance, select 17. Update Student Types by Different Criteria and then add students to this category. Or do it one student at a time.
2. Any student you want to count in this table must be enrolled in at least one class assigned to an AEBG Course Label. ***No attendance required.***
3. Filipino will be included in Asian category (per AEBG office)
4. Any other Ethnicities you added – if you added your own Ethnicity descriptions, all of these students will be counted under “Two or More Races”
5. Two or More Races – if student has two or more Ethnicities, that student will appear in this category
6. Missing birthdate will be included in 22 - 34 category.

TOTAL ADULTS SERVED - STUDENT SUPPORT AND CAREER SERVICES 0

| Race / Ethnicity | Gender | 18 - 21 | 22 - 34 | 35 - 44 | 45 - 54 | 55 - 64 | 65 + | Total |
